ENTER THE DANGER CHAMBER

The Lion's Den (aka The Danger Chamber) is a secret training facility built by Black Lion under the last standing Great Pyramid. It is here that he designs and tests dangerous scenarios for the Cubs to engage with as they develop their powers of luminescence. The Danger Chamber is comprised of several rooms, each with a different theme and set of challenges that vary in difficulty.

Enjoy the story!

AS THE NEW DAY DAWNS, WE
FIND BLACK LION IN THE HEART
OF THE LION'S DEN, MEDITATING
IN THE INNER SANCTUM.

IT'S GOOD TO FINALLY
HAVE THE YOUNG ONES
HERE TOGETHER.

SALAH DIN AND
OSARO ARE VERY
ADVANCED IN
COMBAT NOW.

ARIYAH HAS YET
TO BE TESTED IN
THE FIELD.

AND MOTO IS
JUST NOW GETTING
ADJUSTED TO HIS
NEW POWERS.

IT'S GOING TO BE
REALLY CHALLENGING
TO GET ALL OF THEM
TO WORK WELL AS
A TEAM.

DISTRACTED BY HIS
THOUGHTS ABOUT THE CUBS,
BLACK LION LOSES CONTROL
OF HIS TRANSFORMATIVE
POWERS OF LUMINESCENCE
FOR A SPLIT SECOND....

ISIS

PLEASE DON'T BE TOO ALARMED. I SOMEHOW TRIGGERED THE KING KHUFU SIMULATION HERE IN THE INNER SANCTUM.

IT HAS ME TRAPPED AND IS PREPARING TO LAUNCH A FULL-SCALE ATTACK ON ALL BIOLOGICAL ORGANISMS. THE CHILDREN ARE IN HERE RUNNING COMBAT SIMULATIONS. FIND THEM. SEND THEM TO ME, THAT THEY MAY LIBERATE ME.

ARE YOU SURE THEY ARE READY? THEY'VE NEVER WORKED TOGETHER BEFORE. HOW ABOUT I JUST TELEPORT TO YOU?

NO. I TRUST THAT SALAHDIN AND OSARO ARE READY TO LEAD. LET'S GIVE THEM A CHANCE TO PROVE IT.

OKAY!

MEANWHILE, IN THE
COMBAT ZONE OF THE
DANGER CHAMBER...

BRO! THIS
IS GETTING
EASIER!

THAT WAS
CRAZY FUN!

GO CUBS!

HAHA! YOU'RE
JUST GETTING
STRONGER!

LET'S DO
THAT AGAIN!

LITTLE DO THEY
KNOW, TRUE DANGER
LIES AHEAD.

USING HER TELEPATHIC POWERS OF LUMINESCENCE QUEEN ISIS TELEPORTS HER CONSCIOUSNESS TO APPEAR BEFORE THE CUBS.

CHILDREN! THE PHAROAH KHUFU SIMULATION HAS ACCIDENTALLY BEEN ACTIVATED. ALL THREATS ARE LIVE AND AT MAXIMUM LEVELS!

BLACK LION IS TRAPPED IN THE HEART OF THE INNER SANCTUM. YOU MUST REACH HIM IMMEDIATELY BEFORE ALL CONTROL OF THE DANGER CHAMBER IS LOST!

OK! THIS IS NOT A DRILL GUYS.

DAD IS IN REAL DANGER. LET'S TEAR THIS PLACE APART!

READY FOR ACTION!

THE CUBS DESCEND INTO THE HEART OF THE DANGER CHAMBER THROUGH THE UPPER, MIDDLE, AND LOWER ROOMS.

SUPER SALAH DIN
TAKES THE LEAD AND
APPROACHES THE FIRST
ONE, SHROUDED
IN DARKNESS...

THE DARKNESS
IS NO MATCH FOR
MY FURIOUS FISTS
OF FIRE!

HIS LUMINESCENCE
LIGHTS THE ROOM...

EACH OF THESE
MUMMIES WILL WEAR
ME OUT IF I FOCUS
ON FIGHTING THEM
INDIVIDUALLY. I CAN
CHANNEL MY ENERGY
AND ELIMINATE THEM
ALL IN ONE BLOW!

SHRRRAM

AWESOME OSARO TAKES
THE NEXT CHALLENGE,
ADVANCING SWIFTLY INTO
THE MIDDLE ROOM...

DISTANCE WILL
BE MY WEAPON. I
WILL USE PULSATING
PALM TECHNIQUE!

THEY WILL BE
OVERPOWERED BY
MY SOUND WAVES
BEFORE THEY
REALIZE I AM IN
THE ROOM!

FWOOOOOW

AMAZING ARIYAH LUNGES
INTO THE LOWER ROOM,
FLOATING ON THE CONFIDENCE
OF A TRUE FIGHTER...

WHY FIGHT THEM
FROM THE OUTSIDE
WHEN I CAN USE MY
LUMINESCENCE TO
SHORT-CIRCUIT THEIR
PROGRAMS?

I'LL HIT
THEM WITH MY
JADE JAMMER!

NOW IT'S MIGHTY
MOTO'S TIME TO SHINE!

SHABOOM

SALAH DIN POWERS DOWN THE CONTROL ROOM IN THE INNER SANCTUM TRIGGERING PHARAOH KING KHUFU'S SIMULATION TO RELEASE ITS GRIP FROM AROUND BLACK LION.

I NEVER DOUBTED YOU! THE MYSTERIES OF LUMINESCENCE STILL HOLD MANY LESSONS, BUT TODAY YOU HAVE EACH PROVEN YOUR SKILLS AND KNOWLEDGE OF THE SCROLLS. I AM SO PROUD OF YOU, MY CUBS.

THE THREAT WAS OVER, AND AFTER SEEING HOW THE CHILDREN ASSEMBLED TO FIGHT FOR A COMMON GOAL, IT GAVE BLACK LION AN IDEA.

MEET THE CREATOR

While Black Lion and Cubs is the brainchild of educational media mogul, Hotep, he gives all the credit to his 2 sons for being both his inspiration and motivation.

Born in NYC in the 70s, Hotep is the embodiment of the progress made during the civil rights movements, the birth of Hip-Hop music, and the prominence of Pro Black/ African consciousness in American culture. After graduating Morehouse College, he became one of the only Black, Male elementary teachers in his district.

Today, Hotep is a consultant to schools across the US, a father of 2 and producer of several different types of media including: books, cartoons, films, music and video games. His profound work has earned him nominations for the Presidential Citizen's Award and as a CNN Hero.

ABOUT AMAZING ARIYAH

Ariyah is the daughter of Pharoah King Ramses, ruler of Upper Egypt. All of her life, she had been hidden from the public (even from some of her own family members).

Throughout her life, Ariyah had been secretly trained to use her powers of luminescence by her uncle, Black Lion, and prepared for womanhood by Queen Isis. On her 13th birthday, she was finally introduced to her famed super hero cousins, Salahdin and Osaro. It was then that she joined the Black Lion Clan. Ariyah is also known as **The Jade Princess**.

ABOUT MIGHTY MOTO

Moto is from the land of Minoa in Western Europe. He is the only member of the Cubs who is not a Lumineer. After suffering the traumas of being trafficked and forced into child slavery, Moto escaped and was discovered by Salahdin and Osaro. They brought Moto to Black Lion who adopted him into the Black Lion Clan. Black Lion also provided Moto with the Nubian symbol of “Power” (seen on his belt) which changed his lead gloves to gold and laced them with power. He is also known as **Moto the Nomad** and **Kid with the Golden Gloves**.
